

World Urban Parks – Job Posting

For organisations with limited budgets and more time, our **Regular service** lets you advertise with World Urban Parks Job Board with a minimum of fuss, and at a minimum of cost. Jobs are approved and up on the site usually within one to two working days. Get worldwide exposure in the park sector – the only organisation with international reach!

World Urban Park member organisation your first 3 job posts per year free
Non- World Urban Park Members – Cost per Job posting US\$100
Special Members email to Advertise your job – Cost US\$100
Easy – just submit a PDF of Job with catch line and approval will be made within 24 hours
Ads live on the site for up to 45 days or until advertised job submission deadline has passed
All ads include your organisation’s logo (in PNG format only)
New ads appear in a link on our Monthly Email News Update delivered to members and their organisation
Your ad will appear in one Social Media posting across Twitter, Facebook and LinkedIn
Email support for any questions and help using our service <input type="checkbox"/>
Email us your ads for quick uploading to our site – we’ll send you a link to your ads for you to review and approve

How to place an advertisement

To place an advertisement, email the information you want to: office@worldurbanparks.org

- Job posting in English (PDF format only)
- Logo (PNG format only) – optional

We will send you a tax invoice before the advert is published (payment can be by EFT, cheque or credit card)

What is the deadline?

Your advert can go ‘live’ on the website once approved.

Privacy Policy for Advertisers:

We keep a simple database of advertising customers, which we keep up to date as best we can, and which includes the usual contact information (name, address, phone/fax, email etc.), along with records of past purchases. This information is never shared with third parties, and is only used by us for normal business contact purposes.

On line credit card payments are processed and verified by eWay.

We keep correspondence (which may include payment details) to enable us to keep track of payments and to help us deal with any problems or queries.
